

Compact and affordable

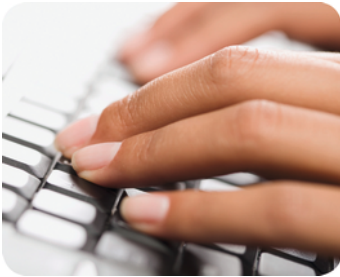

Small footprint, reliable performance

The SP 1210N is a compact and affordable black-and-white A4 laser printer. Its low Total Cost of Ownership makes it an ideal investment for a cost-conscious small office. A further advantage is its small footprint which saves on office space. With a short warm-up time and a fast print speed, the SP 1210N will increase your office productivity. The SP 1210N is the latest addition to Rex-Rotary's advanced range of digital office equipment. Whether for commercial or home use, every product is designed to save time and energy, reduce printing cost, and be user-friendly.

- Compact footprint saves office space.
- Affordable printing.
- Fast: 22 pages per minute.
- Clear user-friendly control panel.
- Network-ready as standard.

Fast, efficient B/W printing

REX-ROTARY'S STRENGTHS

Whatever equipment you need for your digital office – a printer, copier, fax, multifunctional device or advanced software solution – you can find the appropriate solution in Rex-Rotary's extensive line-up. Our solutions are tailored to company-specific needs, issues and challenges, so whether you are looking for cost reduction, productivity improvement, enhancing information security or environmental impact reduction we can help you to find the answer. And after implementation, we offer comprehensive after-sales support.

COMPACT AND BUDGET-FRIENDLY

The small footprint of the SP 1210N means that it sits comfortably on an office desk, so saves valuable office space. The high-yield toner cartridge is long-lasting. A low Total Cost of Ownership makes the SP 1210N an affordable investment for small offices.

FAST

The SP 1210N needs less than 18 seconds to warm up, and produces its first print in less than 10 seconds. After this it's in full flow, effortlessly turning out 22 pages per minute to improve office productivity.

VERSATILE

The device handles a wide range of formats such as A4, A5, A6, B5, Letter and Executive. It takes plain and recycled paper up to 163 g/m², as well as transparencies.

SIMPLE TO OPERATE AND MAINTAIN

An easy-to-use control panel provides clear user instructions – including step-by-step installation and maintenance guidance – in 14 languages. Loading paper is easy thanks to the front-loading paper cassette. The environmentally-friendly toner cartridge is quick and simple to replace.

NETWORK-READY

The device enables seamless network integration thanks to its standard Network Interface Card. A high-speed USB 2.0 interface allows easy local printing.

ENVIRONMENTALLY FRIENDLY

At Rex-Rotary we help you lower the environmental impact of your office as well as lower your cost. The SP 1210N has eco-friendly and money-saving features such as short warm-up time, ultra-low sleep mode and increased toner yield. In addition, Rex-Rotary products are Energy Star compliant. This means less CO₂ is produced in providing the energy needed to run Rex-Rotary devices.

SP 1210_N Aficio™

GENERAL

Technology:	Laser beam scanning, electro-photographic printing & dual-component toner development
Continuous print speed:	22 prints per minute
Warm-up time:	Less than 18 seconds
First print speed:	Less than 10 seconds
Dimensions (W x D x H):	368 x 361 x 170.5 mm
Weight:	6.8 kg
Power source:	220 - 240 V, 50/60 Hz
Power consumption:	Maximum: 460 W Standby mode: 80 W
Duty cycle:	5,000 pages per month

CONTROLLER

Processor:	181 MHz
Printer language:	PCL6
Resolution:	2,400 x 600 dpi
Memory:	Standard: 16 MB
Fonts:	PCL: 49 scalable fonts, 12 bitmap fonts, 11 barcodes

CONNECTIVITY

Network protocol:	IPv4, IPv6
Supported environments:	Windows® 2000/XP/Vista/7/Server 2003/Server 2008
Interface:	Standard: Ethernet 10 base-T/100 base-TX, USB 2.0, USB Host I/F

PAPER HANDLING

Paper input capacity:	Standard: 1 x 250-sheet paper tray 1-sheet bypass tray Maximum: 251 sheets
Paper output capacity:	100 sheets
Paper size:	A6 - A4
